

Schloss Hohenkammer Biergarten am Schlosspark Meals and Beverages

Welcome to Schloss Hohenkammer

We are very happy to welcome you to our castle. Schloss Hohenkammer's past requires respect and implies an obligation for the future.

It was the *Herren von Camer* who gave the municipality of Hohencamer its name and built a castle here. They lived on the premises for more than 500 years and were followed by the *Freiherrn von Haslang*. During their time, the castle was burnt to the ground during the last days of the Thirty Years' War in 1648. It was later rebuilt in the Bavarian Renaissance style and got the structure it still has today.

The *von Haslangs* spent around 250 years at their castle until the *Family von Preysing* took over in 1804. After that, the owners changed more frequently. The *Preysings* were succeeded by the *Herren von Cotta* who in turn were followed by the *von Vequels*. In the early 20th century, the *Bayerische Raiffeisen Zentralgenossenschaft* took over and moved to Hohenkammer in 1917.

The castle found its new and final call in 1973 when it was turned into a training centre. In 2003, the *Munich Re* acquired Schloss Hohenkammer as a seminar centre.
